

If only you would listen – School of Rock

B3 Erin - You always talk, talk, talk all the time. You never let me get in a word.
I wish I had, I had a dime For ev'ry thought I've swallowed unheard.
No matter what it is that i do, It's like I just can't seem to get through.

B4 Millie S - I've got so much to say, If only you would listen.
I've tried ev'ry which way, And still you never listen.
Can't you see I'm hurting? I couldn't be more clear.
But I promise, One day I'll make you hear.

B3 Chloe - You know I try, try, try to explain-- I'm not the kid you want me to be.
And yet it's all, it's all in vain--You just don't wanna see the real me.

B3 Charlie - You think you know what I'm all about—And yet you just keep
shutting me out!

All - I've got so much to share, If only you would listen.
You could prove that you care, If only you would listen.
(2 part) I'm not gonna beg you-- You'll never see a tear.
But I promise, one day, I'll make you hear.

B3 Rue - Yeah, you'll see one day, I'm gonna make you hear me.

B3 Meredith - Gotta find a way, But you are gonna hear me.

B3 James/Meredith - Got so much to say And I'm gonna make you hear me.

I've got so much inside,
If only you would listen!
Joy and anger and pride,
If only you would listen!
It's not much I'm asking I only want your ear.
Yeah, I promise, one day I'll make you hear.
It's not much I'm asking, I only want your ear.
And I promise, one day I'll shake you,
So damn hard that at last I'll wake you,
Yeah, I promise, one day I'll make you hear!
