At the end of the day (All)

All Groups – At the end of the day you're another day older

And that's all you can say for the life of the poor

It's a struggle, it's a war and there's nothing that anyone's giving

One more day standing about, what is it for? One day less to be living

Charlie - At the end of the day you're another day colder

And the shirt on your back doesn't keep out the chill

Reu - And the righteous hurry past they don't hear the little ones crying

Alyssa - And the winter is coming on fast, ready to kill

All 3 - One day nearer to dying

All Groups: At the end of the day there's another day dawning

And the sun in the morning is waiting to rise

(**HARMONY**) Like the waves crash on the sand Like a storm that'll break any second

(**HARMONY**) There's a hunger in the land There's a reckoning still to be reckoned and

(**HARMONY**) There's gonna be hell to pay At the end of the day

I dreamed a dream (Girls)

B2 Lilli - There was a time when men were kind, when their voices were soft

And their words inviting. There was a time when love was blind

And the world was a song and the song was exciting

There was a time, then it all went wrong.

Chloe – I dreamed a dream in times gone by when hope was high and life worth living. I dreamed, that love would never die I dreamed that God would be forgiving

Maisie – But the tigers come at night with their voices soft as thunder

As they tear your hope apart As they turn your dream to shame

Mersey (**HARMONY**)

He slept a summer by my side He filled my days with endless wonder

He took my childhood in his stride but he was gone when autumn came

All Girls (**HARMONY**) - And still I dream he'll come to me that we will live the years together But there are dreams that cannot be And there are storms we cannot weather.

5 Soloists: I had a dream my life would be so different from this hell I'm living

So different now from what it seemed

B2 Lilli - Now life has killed the dream. I dreamed.

Castle on a cloud (Girls)

Amelia G - There is a castle on a cloud I like to go there in my sleep
Aren't any floors for me to sweep not in my castle on a cloud

All Girls (*Harmony*)

There is a room that's full of toys, there are a hundred boys and girls
Nobody shouts or talks too loud, not in my castle on a cloud.

Amelia R - There is a lady all in white holds me and sings a lullaby
She's nice to see and she's soft to touch She says Cosette I love you very much

All Girls (*Harmony*) I know a place where no ones lost I know a place where no one
cries Crying at all is not allowed Not in my castle on a cloud

Do you hear the people sing? (Boys)

Charlie – Do you hear the people sing? Singing a song of angry men?

It is the music of a people who will not be slaves again
When the beating of your heart Echoes the beating of the drums
There is a life about to start When tomorrow comes

Fin – Will you join in our crusade? Who will be strong and stand with me?
Beyond the barricade Is there a world you long to see?

Ben - Then join in the fight that will give you the right to be free

All Boys - (*Harmony*) Do you hear the people sing? Singing a song of angry men?

It is the music of a people who will not be slaves again
When the beating of your heart Echoes the beating of the drums
There is a life about to start When tomorrow comes

On my own (3 Girls and Ensemble)

Immy - On my own pretending he's beside me, all alone I walk with him till morning,
without him I feel his arms around me and when I lose my way I close my eyes and
he has found me.

Jaz - In the rain the pavement shines like silver all the lights are misty in the river in
the darkness, the trees are full of starlight and all I see is him and me forever and
forever.

All Ensemble (Girl/Boy split) - And I know it's only in my mind, that I'm talking to
myself and not to him And although I know that he is blind Still I say, there's a way
for us

Kelsey (*Ahhh – harmony*) - I love him but every day I'm learning, all my life I've only
been pretending. Without me his world will go on turning. The world that's full of
happiness that I have never known.

3 girls (*Oooh - Harmony*) I love him I love him I love him but only on my own

Bring him home

James - God on high hear my prayer in my need you have always been there
You can take, You can give Let him be, Let him live.

If I die (**Ensemble** p 25-26 if I die) let me die (**Ensemble** – let me die) Let him live

All - Bring him home. Bring him home **James** - Bring him home.

Finale

Ethan - On this page I write my last confession read it well When I at last am sleeping
It's a story of those who always loved you

Your mother gave her life for you and gave you to my keeping

Lilli - Come with me Where chains will never bind you

All your grief At last, at last behind you

Lord in heaven; Look down on him in mercy

Ethan - Forgive me all my trespasses and take me to your glory

Top – Mersey / Bottom - Alesis (harmony) - Take my hand and lead me to salvation

Take my love For love is everlasting And remember the truth that once was spoken:

ALL 4 - To love another person is to see the face of god

ALL:

Do you hear the people sing? Lost in the valley of the night

It is the music of a people who are climbing to the light

For the wretched of the earth There is a flame that never dies

Even the darkest nights will end and the sun will rise

They will live again in freedom in the garden of the lord

They will walk behind the ploughshare They will put away the sword

The chain will be broken and all men will have their reward!

(Harmony) Will you join in our crusade? Who will be strong and stand with me?

(Harmony) Somewhere beyond the barricade is there a world you long to see?

(Harmony) Do you hear the people sing? Say, do you hear the distant drums?

(Harmony) It is the future that they bring when tomorrow comes!

(Harmony) Will you join in our crusade? Who will be strong and stand with me?
